

## Le Festival des Guitares du Monde

Monday, 01 June 2009

Runaway Slide hit the road heading for Abitibi, Témiscamingue kicking off their Summer '09 Festivals. They performed a 75 min. set at Le Festival des Guitares du Monde to a crowd of over 300 spectators. They were honored to receive a standing "O" at the end of their performance. We want to thank Allain Vezina and his team for their warm welcome & support.
