

Donnacona au Rythme de Blues 2009

Sunday, 16 August 2009

It was a hot and muggy day when Runaway Slide performed at the Donnacona au Rythme de Blues festival but that didn't stop blues fans to come out to watch the boys perform. And perform they did during their most electrifying set to date.

Also playing that day was Shawn Kellerman from Hamilton, Ontario and a big closing finale with Steve Hill and the Majestics. Runaway Slide was invited by Mike DeWay, a blues guitarist/singer to jam later that evening.
