Guy Belanger, one of Quebec's leading Harmonica players, performed for two nights at the Théâtre de la Ville in Longueuil along with his Quintet of talented musicians. He has a dedicated following where ever he performs and these two shows were no exception.

Runaway Slide was honored to be asked to open the two nights for Guy Belanger. Not withstanding the two different musical styles, the fans of Guy Belanger were very impressed with the performance of Justin, Adam and Matthew. They were given a standing ovation and made new fans.

Runaway Slide would like to thank Guy Belanger for the opportunity to open his show's and to Brian Slack of Zeb Productions for believing.
