Wow! Our first performance in 2010 and we couldn't have asked for a better venue. Bourbon Street West is always a great place to play. Not only does this place have a history of important artists but it enables you to be up close to the audience and the sound is great. A good portion of our set included all or our own music including a brand new song that we just completed to write a week before the show called "(come) Fly with me." Judging from the reaction of the crowd this song ROCKS!! What was also exciting is that we opened for the Paul Deslauriers Band. Paul Deslauriers, Sam Harrison and Gregoire Morency are a bunch of talented guys that are always fun to listen to. We've known these guys since Runaway Slide first started to play (2006) and we consider them good friends. Brian Slack (ZEB Productions) presented Paul Deslauriers with a birthday cake in order to celebrate his 40th birthday. Hey Brian!, how come we didn't get a cake when we turned 15!! (Just kidding :) Thank-you to all the people that came out to support us.
